Liner Cut in Two and 900 Lives Lost Early Friday Morning Near Quebec

Rimouski, Quebec, May 29.—Sinking in ninety feet of water within fifteen minutes of being rammed amidships in the upper reaches of the Upper St. Lawrence River, early today, the Canadian Pacific liner Empress of Ireland carried down with her more than 900 passengers and crew. Of the 1,367 persons on board the liner only 433 are known to have been saved, making the probable death list 934.

396 Survivors Reach Quebec.

MEMORIAL DAY.  
\*\*\*\*\*  
By Colonel Robert G. Ingersoll.  
This day is sacred to the great heroic host who kept this flag above our heads, sacred to the living and the dead, sacred to the scarred and maimed, sacred to the wives who gave their husbands, to the mothers who gave their sons. Here in this peaceful land of ours—here, where the sun shines, where flowers grow, where children play—millions of armed men battled for the right and breathed on a thousand fields the iron storms of war. These brave, these incomparable, men founded the first republic. They fulfilled the prophecies, they brought to pass the dreams, they realized the hopes that all the great and good and wise and just have made and had since man was man. But what of those who fell? There is no language to express the debt we owe, the love we bear, to all the dead who died for us. Words are but barren sounds. We can but stand beside their graves and in the hush and silence feel what speech has never told.

**J. J. KLIPP INJURED**  
Rope Breaks and Buggy Fell From Elevator Shaft Upon Him.

Mr. J. J. Klipp, of the well-known firm of Bauer & Klipp, of Second street, met with a distressing accident at their place of business about 3 o'clock yesterday afternoon.

Mr. George Shipley had gone to the third floor to lower a buggy. After fastening the elevator ropes to the buggy and starting it down, he looked to see if all was clear below. Hardly had the buggy started when the rope broke and Mr. Klipp who was directly beneath, the buggy fell upon him, knocking him down. A wheel struck his right leg above the knee.

Dr. Smoot was called and had Mr. Klipp removed to his home, where Drs. Smoot, Brand and Samuel made an examination.

They found no broken bones, but Mr. Klipp is suffering from the nervous shock.

This morning he is reported as resting easily.

Some idea of the force of impact may be had from the fact that six or seven spokes of the left front wheel of the buggy were broken.

Mr. Henry Shea, son of Mr. and Mrs. Henry Shea of East Second street, has returned to his home in this city to spend the summer. He attends college in Cincinnati.

### Sunday's Lesson Locally Applied.

One of the greatest sins is ingratitude. In this lesson but one of the ten who were healed of the plague of leprosy returned to thank the Christ who cured them. How does the per cent stand today? Are we here, any more grateful or is the average still one to nine. A few facts which every reader can take home to himself will help us to classify ourselves.

We all know the churches have done more to make life worth while than any other agency. The potent influence of the Gospel has given us our present civilization and is telling mightily in the reforms of the present day. Yet how many people here in Mason County show any signs of being grateful? An occasional attendance upon the church service and that in a spirit of indifference is no sign of gratitude. This Samaritan prostrated himself at Jesus' feet to show how thankful he was. Let the church members in larger numbers show they appreciate the favor the Lord has shown. If 4,000 of Maysville's people can get to a church service on Go-to-Church-Day then that number at least should do no oftener.

How many of us thank God for His many gifts? Are we not inclined rather to complain and fault-find because we haven't more. Let it be remembered that every good gift is from God and that of ourselves we can do nothing, etc.

Did you thank God this morning for the perfection of last night and for today's opportunities? Have you given of your means to the less fortunate? Are you thankful you can be forgiven?

## BASEBALL GOSSIP

The locals left this morning to be gone on the road one week, as follows: Newport—May 30, two games. Chillicothe—June 31, June 1. Portsmouth—June 2, 3. Ironton—June 4, 5.

The fight for the cellar at Newport today should be rather interesting. Both teams are pretty evenly matched any way.

Manager Chapman last night released Pitcher Linnie.

Manager Chapman made a sensational one-hand catch of Konnick's long fly to the left garden in the eighth. If the ball had gone by it would have been good for a homer.
